Microsoft will provide forward-looking guidance in connection with this quarterly earnings announcement on its earnings conference call and webcast.

**Quarterly Highlights, Product Releases, and Enhancements**

Every quarter Microsoft delivers hundreds of products, either as new releases, services, or enhancements to current products and services. These releases are a result of significant research and development investments, made over multiple years, designed to help customers be more productive and secure and to deliver differentiated value across the cloud and the edge.

Here are the major product releases and other highlights for the quarter, organized by product categories, to help illustrate how we are accelerating innovation across our businesses while expanding our market opportunities.

**Webcast Details**

Satya Nadella, chairman and chief executive officer, Amy Hood, executive vice president and chief financial officer, Alice Jolla, chief accounting officer, Keith Dolliver, corporate secretary and deputy general counsel, and Jonathan Neilson, vice president of investor relations, will host a conference call and webcast at 2:30 p.m. Pacific time (5:30 p.m. Eastern time) today to discuss details of the company's performance for the quarter and certain forward-looking information. The session may be accessed at http://www.microsoft.com/en-us/investor. The webcast will be available for replay through the close of business on July 30, 2026.

**Constant Currency**

Microsoft presents constant currency information to provide a framework for assessing how our underlying businesses performed excluding the effect of foreign currency rate fluctuations. To present this information, current and comparative prior period results for entities reporting in currencies other than United States dollars are converted into United States dollars using the average exchange rates from the comparative period rather than the actual exchange rates in effect during the respective periods. All growth comparisons relate to the corresponding period in

the last fiscal year. Microsoft has provided this non-GAAP financial information to aid investors in better understanding our performance. The non-GAAP financial measures presented in this release should not be considered as a substitute for, or superior to, the measures of financial performance prepared in accordance with GAAP.

The technology company is committed to making AI available broadly and doing so responsibly, with a mission to empower every person and every organization on the planet to achieve more.

### Forward-Looking Statements

Statements in this release that are “forward-looking statements” are based on current expectations and assumptions that are subject to risks and uncertainties. Actual results could differ materially because of factors such as:

- intense competition in all of our markets that could adversely affect our results of operations;
- focus on cloud-based and AI services presenting execution and competitive risks;
- significant investments in products and services that may not achieve expected returns;

- acquisitions, joint ventures, and strategic alliances that could have an adverse effect on our business;
- cyberattacks and security vulnerabilities that could lead to reduced revenue, increased costs, liability claims, or harm to our reputation or competitive position;
- disclosure and misuse of personal data that could cause liability and harm to our reputation;
- the possibility that we may not be able to protect information in our products and services from use by others;
- abuse of our advertising, professional, marketplace, or gaming platforms that may harm our reputation or user engagement;
- products and services, how they are used by customers, and how third-party products and services interact with them, presenting security, privacy, and execution risks;
- issues about the use of AI in our offerings that may result in reputational or competitive harm, or liability;
- excessive outages, data losses, and disruptions of our online services if we fail to maintain an adequate operations infrastructure;
- supply or quality problems;
- potential consequences of new, existing, and evolving legal and regulatory requirements;
- claims against us that could result in adverse outcomes in legal disputes;
- uncertainties relating to our business with government customers;
- additional tax liabilities;
- an inability to protect and utilize our intellectual property may harm our business and operating results;
- claims that Microsoft has infringed the intellectual property rights of others;
- damage to our reputation or our brands that may harm our business and results of operations;
- adverse economic or market conditions that could harm our business;
- catastrophic events or geopolitical conditions, such as the COVID-19 pandemic, that could disrupt our business;
- exposure to increased economic and operational uncertainties from operating a global business, including the effects of foreign currency exchange; and
- the dependence of our business on our ability to attract and retain talented employees.
